

ANIME PUNCH

This con YOU can create! We are asking all attendees to go on our site and tell us what you want to see at Anime Punch '06

-Want to debate who's more pretentious, Oshii or Kon? Right on!

-Want to counter that panel by debating whether Naruto should end up with Sasuke or Kakashi? Go for it!!

-Want to talk about why you think the old Pokemon were cooler than the new? Great!

-Want to have a panel about the best dubs out there? Good idea!

-Want to jump on top of a stage and shout "Pocky is overrated and Gravitation is poorly written!!!" This is your place!

Whether it be off the wall, pushing the envelope, or just in bad taste... we'll still do our best to MAKE IT HAPPEN!!!

We also will be holding all the Normal events like:

Cosplay
Dances
DDR
TCG's
Guests
Panels
Dealers
Video Games
Video Rooms
